

The nearest 'pay and display' public car park can be found at Durngate car park, North Walls. The entrance is opposite the Willow Tree pub. Once parked, turn left out of the car park, past Winnall Moor and keep going up Wales Street until you eventually see signs for Beaver Tool Hire on the right-hand side. Enter the small industrial estate and the bindery can be found 30 yards on the right-hand side.

Please note that parking in the industrial unit for club users is limited to the two spaces adjacent to the building B during the week. In the evenings and at weekends club users may park within the estate or if available in the carpark behind Picador. Please do not park in the Beavers spaces before noon on Saturdays in the Beavers spaces.

There are several short-term on street spaces outside the industrial unit. You will get a ticket if park on the pavement.
